

## Music in the Church Survey

You are the church, and your worship matters. Would you take a few minutes to fill out this worship survey? Your responses will be an asset to our pastor when planning worship services.

Please fill out a separate for each person. Additional copies available in the sanctuary.

Name: \_\_\_\_\_

**Special Music:** Do you love to sing? Are you willing to be a part of worship by combining your voice with others, not just during regular worship? You don't have to be a virtuoso—God calls us to make a joyful noise in praise! We have access to the hymn box and to other music that we can use for background, or we can sing acapella. Please note whether you are interested in being part of a choir/duo/trio, etc., or to sing as a soloist.

**I would be willing to participate in special music as follows:**

Choir                       Solo                       Duo/Trio/etc.

**Admin:** If you are willing to help out in worship, either as a greeter or liturgist, or to learn how to run the digital hymnal, camera, or slides, mark that, as well. You won't be signing your life away! The goal is to have teams that work on specific Sundays so just a few people aren't carrying all of the load.

**I realize this isn't a lifetime or weekly commitment, just thinking! I would like to *learn more* about assisting with worship leadership in the following areas:**

Liturgist     Greeter/Usher     Camera/Slides/Hymn Box

**Hymns:** Please take some time to go through the hymnbooks and list your top ten favorite hymns to sing in worship. Check off which hymnbook it is found, and if you know the number, include that, too. Remember that different hymnals often use different tunes. If your hymn/song is NOT in our hymn book, let us know where we can find it, if you know. Any additional information would be helpful.
